Antin Infrastructure Partners develops investment team

On 7 February 2011, In Alternative Investments, Job & Careers, By staff

Antin Infrastructure Partners has named Angelika Schöchlin as Partner and promoted Guillaume Friedel to Vice President. Prior to joining Antin Infrastructure Partners, Schöchlin worked at Terra Firma as a Director based in Frankfurt. Angelika has over 12 years of experience in principal investing (including infrastructure) and corporate finance. Alain Rauscher, Chief Executive Officer and Managing Partner, says: "I am delighted to announce the arrival of Angelika, which further strengthens our investment and asset management capacity. Following the successful closing of the

Fund last September, Antin IP is focusing on delivering value creative transactions to our investors and Angelika's experience will help us achieve our ambitious strategy".
