THE GLOBAL

**NEWS** 

**GE acquires First Reserve portfolio company for \$3bn**  
07 Feb 2011 23:15 GMT Infrastructure energy and service provider Dresser split from Halliburton in a 2001 buyout led by First Reserve. GE will integrate the business into GE Energy, where it's expected to 'enhance' GE's ability to grow in developing countries...[more>>](#)

**Schöchlin switches from Terra Firma to Antin**  
07 Feb 2011 18:45 GMT Antin Infrastructure Partners, the Paris-based fund manager which closed an oversubscribed debut fund on €1.1bn in September last year, has announced the appointment of Angelika Schöchlin as a partner from private equity firm Terra Firma. [...more>>](#)

**Kinder Morgan commences \$2.3bn IPO**  
07 Feb 2011 21:53 GMT The offering is poised to become the largest-ever private equity-backed initial offering in the US market, handing a historic exit to a group of infrastructure and private equity funds managed by Goldman Sachs, Highstar, The Carlyle Group and Riverstone Holdings...[more>>](#)

**Real assets part of ambitious VTB plans**  
07 Feb 2011 10:16 GMT The Russian bank's private equity team's plans include a \$500m mid-market fund and various types of real asset investment programmes. [...more>>](#)

**Ecuador signs \$684m agreement for new Quito airport**  
07 Feb 2011 04:57 GMT A consortium comprised of American, Canadian and Brazilian investors has signed an agreement with

**COMMENT**

**Follow the Oregon Trail** A recent move by the Oregon Investment Council gives pensions in the US plenty of reasons to follow suit, writes Cezary Podkul.

**ANALYSIS**

**Britain's PPP bashing** In the UK, confusion over the lifecycle costs of public-private partnerships is tainting their image. Over the other side of the Channel, a very different view exists
